Panther Creek State Park is located in the Hamblen County community of Panther Springs, one of the county's oldest settlements. Pioneers from North Carolina and the older Watauga Settlement in East Tennessee arrived to this area around 1785. Prior to this time, Chickasaw Indians and other agricultural groups known for their superior fruit trees and fine breeds of Spanish horses - had inhabited the area.

Panther Creek, covering approximately 1,435 acres, is located on the shores of Cherokee Reservoir, an impoundment of the Holston River. Near Point Lookout, the highest place in the park, the elevation reaches 1,460 feet above sea level.

Panther Creek is located on the shores of the Cherokee Reservoir about 6 miles west of Morristown and 40 miles northeast of Knoxville. From I-81 Exit 12 take Hwy.160 North to Hwy. 11E. From I-40 take Exit 394 (Hwy. 11E North).

Access Fees may apply. Call park for details.
